

Texas Division
of the
International Association for Identification

Resolution

Dallas, Texas
June 4, 2013

Whereas The Texas Division of the International Association for Identification in session at its 76th Annual Educational Conference in Dallas, Texas, June 3-7, 2013; and

Whereas The membership attending, having received benefits of hearing knowledgeable and highly qualified speakers, and receiving the gracious hospitality of our hosts; and

Whereas The membership present wishes to express its gratitude and appreciation to those persons who have contributed their time, money and goods to make this conference such a grand success in the areas of education, training and entertainment.

Be it therefore resolved:

THAT In providing a pleasant, comfortable and successful conference there is, without exception, a few who served and carried the burden for most; and

THAT These include **Retired Dallas Police Detective James Leavelle, Marie Tippit, and MLC**, who took the time out of his busy schedule to graciously entertain us at our formal Banquet and honor the attending members with their presence; and

THAT These individuals ensured the success of the 76th Annual Texas Division of the IAI Conference in a manner that establishes a standard for future conferences.

Membership in attendance expresses heartfelt thanks for a job well done.

Joel Stephenson, Chairperson

Joe Maberry, Member
Tammy McLean, Member
