

Texas Division
of the
International Association for Identification

Resolution

Dallas, Texas
June 4, 2013

Whereas The Texas Division of the International Association for Identification in session at its 76th Annual Educational Conference in Dallas, Texas, June 3-7, 2013; and

Whereas The membership attending, having received benefits of hearing knowledgeable and highly qualified speakers, and receiving the gracious hospitality of our hosts; and

Whereas The membership present wishes to express its gratitude and appreciation to those persons who have contributed their time, money and goods to make this conference such a grand success in the areas of education, training and entertainment.

Be it therefore resolved

THAT In providing a pleasant, comfortable and successful conference there is without exception, a few who served and carried the burden for most; and

THAT These include the following speakers who graciously gave of their time and knowledge: **Ron Almagno, William (Bill) Bailey, Larry Dow, William G Doyne, Lesley Hammer, Nancy Hebert, Todd Hoff, Tamara Keller, Wade Knapp, Joe Maberry, Alice Maceo, Michael S. Maloney, Leslie McCauley, Terry Mills, Angela Olson, Casie Parish-Fisher, B.J. Spamer, G. Alan Steele, Henry Swofford, John Vanderkolk, Dick Warrington, Leslie Willingham, and David "Ski" Witzke;** and

THAT These individuals served to assure the success of the 75th Annual Texas Division of the IAI Conference in a manner that establishes a standard for future conferences to adhere to.

Membership in attendance expresses heartfelt thanks for a job well done.
